ADULTS ONLY

HIYA, FOLKS!

I'M YOUR HOST, SAVAGE SQUIRREL. WE GOT SOME **GREAT** TITS AND DICKS FOR YOU, THIS ISSUE! I THINK I CAN SAFELY SAY THAT NO AMERICAN PORN COMIC SHOWS YOU MORE ENGORGED FLESH FOR YOUR DOLLAR! YOU HAVE MADE A WISE INVESTMENT!

BUT NOW, KARNO WANTS TO WHINGE ABOUT SOMETHING:

YANK!

BOOB!

I'M WORRIED ABOUT HOW LITTLE FEEDBACK **BIG** FUNNIES IS GETTING. OUR SALES ARE BLAH, AND THE ONLY GUEST ARTIST WE HAVE THIS ISSUE IS DON LOMAX. GRANTED, HE'S A TERRIFFIC OLD PRO, AND HIS STUFF IS GREAT.... BUT HE'S HERE BECAUSE I HUNTED HIM DOWN AND FANBOYED HIM INTO CONTRIBUTING.

BE HONEST WITH ME - IS THIS BORING TO LOOK AT?

WHY IS NOBODY WRITING IN? WHERE ARE ALL THE UP AND COMING PORNOGRAPHERS? HAVE THEY BEEN EATEN UP BY THE NET AND COMPUTER GAMES? IS FUNDAMENTALIST SEX-HATRED BACK, IN THE SHADOW OF GENERALISSIMO BUSH? OR AM I JUST A LAZY EDITOR?

NO, I STILL THINK ASKING PEOPLE TO WRITE IN IS THE BEST WAY TO GO. TO ENCOURAGE THIS, I'M INCLUDING AN OPINION POLL IN THIS ISSUE - PICK A STORY, AND KARNO WILL DRAW IT, JUST TO EXCITE YOUR JUICES! IZZAT A GOOD DEAL, OR WHAT? SO WRITE IN! **PARTICIPATE** IN LIFE, FOR ONCE!

MAUDE! BRING ME MY PERVERT GUN!

BUT WHAT AM I SUPPOSED TO DO? GO DOOR TO DOOR, ASKING IF THE OCCUPANTS DRAW PORNO COMIX?

We're older and meaner than you are. No similarity to any character(s) and/or place(s) is intended, and any similarity is purely coincidental. All characters are over the age of 18. Actually, they're drawings, and have whatever age I say they do. This is obvious to all but a gibbering idiot. Alas, since gibbering idiocy is ever more common among the officials and bureaucrats of our great nation, we had to include that age statement. Ah well. Things will improve after the revolution. Meanwhile, just ENJOY THE SHOW!

FELLOW PERVERTS

presents a real treat for you, this issue: Namely Don Lomax, veteran maestro of American porno comix!

He's the author of Case Morgan PI, Hooters, Vietnam Journal, and assorted strips for just about every men's mag that's worth the money.

It is therefore a great honor to present Mr. Lomax's first, and hopefully not last story in BIG Funnies:

MUTINY AT SUBU

DON'T GET ME WRONG. I DIDN'T COME TO THE U.S. RECRUITING BUT AS I GRAVITATED TOWARD MY OWN, WELL-KNOWN PREFERENCE, ASIAN LADIES AND ORIENTAL TWATTIES, MANY FIRST GENERATION DESCENDANTS OF THE PACIFIC RIM VOICED THEIR LONGINGS TO ME TO EXPLORE THEIR ROOTS.

I LOVE AMERICA, BUT...

I HEAR YA, BUTTERFLY

SOMETIMES THE FREEDOM, THE ENORMOUS MONEY, THE TENDENCY OF AMERICAN MEN TO WORSHIP ME AS THOUGH I WERE A GODDESS AND PUT ME ON A PEDESTAL BEGGING ME TO ALLOW THEM TO ANTICIPATE MY EVERY NEED LEAVES ME FLAT.

BUMMER.

SOMETIMES I LONG FOR STRUCTURE. THE GLORY OF SEEING TO A MAN'S EVERY NEED. TO SUCK HIS COCK FOR HOURS, TAKE A MASSIVE LOAD OF JELLY DOWN MY THROAT, AND THEN BE DISMISSED WITH A GRUNT LIKE A SECOND CLASS CITIZEN.

TO FOLLOW THREE STEPS BEHIND MY MASTER, POP MY LEGS OPEN AT HIS SLIGHTEST WHIM, TONGUE-FUCK HIS HAIRY ASSHOLE, NUZZLE HIS BULGING NUT-SAC AND OFFER MY VELVET CUNT TO BE STUFFED BY HIS RIGID MANHOOD IS MY DREAM.

I COULD DO THAT.

WHAT THE HELL, THERE IS ALWAYS AN OPENING AT MY SULU PUKI PARLOR AND SALAD BAR FOR A PISTON ASSED, VACUUM MOUTHED COCK PLEASER.

THREE PLANE TICKETS, LADIES. SEE YOU AT THE AIRPORT.

BUT, IN THIS MODERN AGE OF INSTANT, GLOBAL COMMUNICATION, A HINT OF UNREST CAST A CLOUD OF DISSENSION OVER MY STABLE OF FILIPINA JISM RECEPTACLES BACK IN THE ISLANDS.

THIS IS THE WAY AMERICAN WOMEN GET WHAT THEY WANT.

DO THEY HATE THEIR MEN SO?

MAKE MEN BEG

DOWN WITH PENISES UP WITH CUNTS

YES.

DO YOU THINK WE SHOULD, YOU KNOW, MAKE OUR NEEDS KNOWN TO DICK-SAN?

WE COULD ASK HIM WHEN HE GETS HOME IF IT WOULD BE OKAY FOR US TO DEMAND CHANGES IN OUR CURRENT CONDITIONS.

YOU DON'T GRASP THE CONCEPT, LITA. YOU DON'T ASK PERMISSION TO PICKET. YOU DEMAND CHANGES AT THE TOP OF YOUR VOICE AND NEVER TAKE NO FOR AN ANSWER!

DEMAND? FROM DICK-SAN?

I'M FRIGHTENED.

WE ARE WOMAN! DICK-SAN MUST BE MADE AWARE OF HOW UNHAPPY WE ARE ABOUT THE CURRENT CONDITIONS AROUND HERE! WHO'S WITH ME?

AND IF HE REFUSES OUR DEMANDS? THEN WHAT?

LET'S HOPE IT DOESN'T COME TO THAT!

WHEN I RETURNED TO THE WARMTH OF HOME AND HEARTH MY LADIES MET ME, UNITED IN THEIR CAUSE. I WAS SHOCKED, HURT, BEWILDERED...

HI, DICK-SAN, YOU FUCK ME HARD?

LITA! YOU PROMISED WE WOULD UNITE FOR OUR RIGHTS.

I WENT STRAIGHT TO BED...WITH MY NEW LOVELIES, TO LICK MY WOUNDS AND ASK MYSELF HOW THIS COULD HAVE HAPPENED TO ME. YOU GIVE 'EM AN INCH ...

I'M SORRY LADIES, I'M EMBARRASSED. I LEAVE FOR A WEEK TO SAMPLE WHAT THE OUTSIDE WORLD HAS TO OFFER AND EVERYTHING GOES TO HELL!

LET US KISS YOUR WORRIES AWAY, OH GENTLE HERO.

BY MORNING, THERE SEEMED TO BE A CHIP IN MY LADIES' VENEER.

PLEASE, ASIAN DICK! FORGIVE US! WE'RE SCUM! WE DON'T DESERVE TO LIVE!

I'VE THOUGHT IT OVER AND I AGREE, IN PART WITH YOUR COMPLAINTS!

I'M AWED.

GO AHEAD, READ IT SWEETY. DON'T BE AFRAID. I AM NOTHING IF NOT UNDERSTANDING AND ACQUIESCENT.

THESE ARE OUR DEMANDS: WE FEEL YOU HAVE BEEN NEGLECTING US A LITTLE OF LATE. WE DEMAND YOU ALLOW EACH OF US TO SUCK YOUR BULGING BLUE-VEINED WONDER MORE OFTEN.

THANKS. WHAT'S THE BIG OCCASION? DIDYA CLONE YOURSELF?

MUCH BETTER! I'M GONNA BE FAMOUS! I HAVE JUST FOUND A CASE OF **ORGANIC SUSPENDED ANIMATION!**

ORGANIC? WHAT, WITHOUT MACHINES?

EXACTLY! MUCH LIKE **YOUR** WORK IS DONE ORGANICALLY. DIGGERS FOR A NEW MALL OR SOMESUCH TURNED UP A GRAVEYARD. FROM THERE WE RETRIEVED A STEEL AUTOPSY FREEZER BOX, CONTAINING THE UNTOUCHED BODY OF A YOUNG FELIN WOMAN. A BODY THAT HAD **NOT DECAYED IN TWO HUNDRED YEARS!!**

ZZZ

TURNS OUT HER **ENTIRE BODY** IS MADE FROM BERN-STYLE IMMORTAL CELLS. SHE'D PROBABLY STILL BE BREATHING TODAY, IF AN INFECTION HADN'T FILLED AND SHUT DOWN HER CELLS!

SO - IS SHE ALIVE OR DEAD?

NEITHER! THAT'S THE BEAUTY OF IT! **ORGANIC** SUSPENDED ANIMATION!

ZOOF!

THE ONLY REAL PROBLEM WAS DEHYDRATION, BUT THE STEEL COFFIN HELPED WITH THAT. WE GOT HER REHYDRATED, BUT THAT DAMN INFECTION IS STILL HOLDING THINGS UP!

I WOULDN'T HAVE CALLED YOU IF I DIDN'T. I KINDA ENVY YOU, YOMAN- YOU CAN MAKE BIODRUGS IN YOUR OWN BODY- I HAVE TO GO THRU DOZENS OF MACHINES TO DO IT!

IT'S A LIVING ...

LOOKS SIMPLE. WILL I NEED ANY FOOD SUPPLEMENTS?

NOPE! THIS THING IS TWO HUNDRED YEARS OLD, REMEMBER - IT HAS NONE OF THE MODERN ADAPTATIONS!

HUMMMMMMMM

DAMN.... THAT SET WOULD BE IMPRESSIVE EVEN IF I DIDN'T KNOW WHAT IT CAN DO!

AND SO, SCIENCE AND BIOLOGY COMBINE THEIR POWERS TO WORK WHAT IN LESS ENLIGHTENED TIMES WOULD HAVE BEEN CALLED BLACK MAGIC.

TAKE IT EASY, MEZZ! YOU'VE BEEN D....IN A DEEP COMA FOR A LONG TIME!

COMA? BUT I FEEL FINE. JUST HUNGRY. WHERE'S TINA? OR BULL? WHERE ARE MY FRIENDS?

PEER?

TODAY IS THE TENTH of FEBRUARY, TWENTY-TWO HUNDRED NINETEEN.

I HAVE A COUPLE OF FOOD BARS, IF YOU'RE HUNGRY. THEY'RE NON-SPEC... ANYONE CAN EAT 'EM.

LAST I REMEMBER IS TWO THOUSAND AND TWENTY-THREE, SO THAT WOULD MAKE ONE HUNDRED AND NINETY-SIX YEARS. CLOSE ENOUGH.

YES. YOU READ MY FILE, HUH?

AHH! A SHOWER! SOME THINGS THE FUTURE HASN'T IMPROVED UPON!

YOU SAID THAT THE FOOD YOU GAVE ME WAS "NON-SPEC": WHAT DOES THAT MEAN?

I'M A DRUGMAKER. SOMETIMES I HAVE TO TAKE SPECIAL FOOD SUPPLEMENTS, SO MY BODY WILL HAVE ALL THE RIGHT MATERIALS FOR SPECAL DRUGS. I MADE THE DRUG THAT WOKE YOU UP!

LATER, AT THE LAB COMMISSARY...

MM, THIS IS **GOOD!** HOSPITAL FOOD HAS IMPROVED, I SEE!

THIS ISN'T REALLY A HOSPITAL.

IT'S A MEDICAL RESEARCH LABORATORY. WHEN YOU WERE FOUND UNDECAYED IN THE COFFIN, YOU WERE SENT HERE FOR ANALYSIS.

YOUR "COFFIN" WAS ACTUALLY AN AUTOPSY FREEZER BOX, BUT YOU HADN'T BEEN AUTOPSIED. THERE'S PROBABLY A STORY BEHIND THAT.

TO PUT IT MILDLY. I CAN BARELY BELIEVE THIS IS HAPPENING.

I KNOW JUST HOW YOU FEEL. MY GRANDPA HAD ALL YOUR FILMS, AND I ....THAT THERE IN THE SHOWER, IT WAS JUST LIKE A TEENAGE FANTASY COMING TRUE. I COULDN'T BELIEVE IT!

THEY'RE STILL SHOWING THOSE GOOFY PORN TAPES? TWO **CENTURIES** LATER?!

YES. THERE NEVER WAS ANYONE ELSE QUITE LIKE YOU.

THE TIME OF MANY QUESTIONS:

YOU GONNA **SHARE** ANY OF THAT GOLD, DOC?

YOU'RE REFUSING THE IMPLANT? BUT...

I REGULATE MY BODY FAR BETTER THAN ANY MACHINE CAN. THE ONLY THINGS I LET INSIDE ME ARE GOOD FOOD AND BIG COCKS!

ALL I WANT IS A MEASLY 20% OF ANY DISCOVERIES MADE OFF MY D.N.A.!

BUT - BUT I BROUGHT YOU BACK TO LIFE!

CONTRACT

THAT'S WHY I NEED TO MEET LIVING EXPENSES, DOC. COULD YOU SIGN HERE?

YOUR RECOVERY IS GOING SIMPLY MIRACULOUSLY. THE INFECTION IS ALMOST GONE - YOU JUST NEED ONE MORE DOSE TO BE IN THE CLEAR!

BIG FANS

...seems to be the De Facto name of the BIG Funnies letters page. But if someone can think of a better name, speak up! Particularly since we're finally getting lots of letters in! Jenn and Kermit write:

"Karno:
As a reader of your comic "Big Funnies", I wanted to say your recent issue with its dedication to Stellos, touched me all over again.
And I also wanted to ask if why you thought the one pic in the last issue with the stretched out female bunny on the immense penis was disturbing....
There are a few women out there that have that exact fantasy....(myself being one of them)
It's fantasy, and I enjoy it.
Anyway, keep up with the artwork that makes so many of us happy out in the world."

Jenn.

You're more than welcome, Jenn - I love hearing from my female readers! Below, David writes:

"Karno's Big Funnies #5 and #6 - Like the return of the Macho Schmuck with humans instead of anthropomorphics. (Even though you did get Savage Squirrel in there having a ball at the Macho Scmuck's expense.) Also liked the story of Teeka the bunny girl. I liked her figure most after she had removed the key from the cowgirl, and after having sex with the goat guy "doctor". After that, it was a bit much.

Issue #4 -"First Day on The Job"- Nice work. Great "yikes!" look as she sees the stallion's erection, and her "gulp" look was the capper. Also like the stallion and the mouse-girl on the beach cover. Looks like she's up to something!

Cute end panel with Bootsie the cow-girl and Sammy the horse-guy with his "education" on proper behaviour, and his "reward".

Also from issue #5 - "The Fan" with Kitten Kelly. Her "deflowering" of the young guy was a very nice story, you even had a bit of humor in it, as Kitten playfully "gooses" the guy as they enter the shower, and the bull and cow losing it as he lets out a yell of sheer joy. I would too, under the same circumstances."

David Z.

"The first thing I would like to say is how sad I am hearing about STELLOS and his wife. I was just becoming aware of his work and wish to experience more than what is on furry nation. Maybe you could help in some new sites!
My feed back would have to state any thing containing Molda, or like wise figures attracts me like a magnet, as I AM a big tit addict. My porno collection is taking over my home!
Anyway that take over I would relate to the male part characters in your strips. I'll let you know how the tests go."

Kermit the Hermit

Tests? What tests? This worries me. Am I supposed to know about these tests?
Scott hand-wrote me a terriffic letter, which, due to it's length, I unfortunately have to to chop up like a side of beef, and just run a slice of one of the good parts:

...."The best story in this issue was by far "THE DRAGON'S BRIDE" Excellent, excellent job, my man! I really like the way you depicted the dragons! All of the art was really good and quite dynamic (something that can make or break a sex comic). What did I like best about the Dragon's Bride? The fact that it had a human female interacting with the dragons. I'm really not into "furries" or "anthropomorpics" that much when that's all there ever are in a story, so you can imagine what a surprise and turn-on this story was when I saw the dragons fucking the human girl, Mery! I think you have really been selling yourself short if you think you can't draw human women because you definitely can (Mery proves that for me!). I was a little disappointed that we didn't see more action with Mery and the two Dragons, it ended rather abruptly...I was kind of hoping to have seen a D.P. with Mery and the Dragons, plus some throat-gagging suck jobs on some huge dragon dick! Maybe next time?
I did like the little interplay between you and the ignorant critic at the end. I can really identify with everything you said, as I am a writer of porn-fics..... My stuff is designed to make people to get themselves off, pure and simple. It's entertainment for crying out loud!

Scott M

I knew the lady.

KJARTAN

My old pal, PAL, writes in with this ego-boosting missive via Email. Such praise from PAL is extra heartwarming, because I know he's a damn good writer, himself. Praise from Ceasar, and all that....

Karno,
In this current unerotic age, where access to all types of naughty naked people is as easy as typing "XXX" on a search engine, people of little imagination and no talent flood the world with uninspired drivel that displays sex as something so primal and consuming as to drain any aspect of enjoyment out of it. Having witnessed a fair sampling of today's "porn," one could conclude that a prerequisite to orgasm was overbearing angst. In other words, when was the last time you saw people screwing who looked like they were having fun? You, Karno, bring mirth and silliness back to naked people (with HUGE erogenous zones) that has been sorely missed since the passing of Xxxenophile. Forget the grim determination of most comic porn, give me the laughter and delightful interludes that you provide so well.

PAL

Ajacs writes in via Email:

Thank you for BIG Funnies. I enjoy your fine comic nearly every day (sometimes twice)!
I wish I could say I own every issue of BIG Funnies, but the things sell out so fast, I'm lucky to grab what I can, when I can! I do own more than I've missed, and each one is, in my opinion, premium porno!
My favorite characters in your comics are Bootsie Bovee of the Pleasure Boosters, and Molda. I never knew I had a thing for cows! Still, Bootsie has a smokin' little bod, and when she bent over for her version of Pin the Tail on the Donkey, she was HOT!
I was kind of sad that Molda had another man in issue #7. I sort of hoped she and Donny were more of an "item" than that. On the other hand, that means that Donny has all the right in the world to invite Dian over to help him do Molda!
Of all the compliments I could heap on your mag, the best I can think of is that it hasn't sunk as low as some of the naughty comics I liked to read. "Squirmin' Herms" was close to grossing me out, but a lot of other mags have gone to being fully homosexual. YUCK!
Thanks for making it about the fine babes, man.

Well, that's all for now. Keep up the good work and MORE BOOTSIE! MORE MOLDA!

Signed,
AJACS.

Richard Karandosh wrote me a wonderful letter that soberly explained why "cocksucker" had become a curse word. I surely wish I could run it all, because it's GREAT stuff. But it would take up the whole letters section if I did. Damn. At least I'll run his criticism on BIG Funnies:

....Moving on, issue #6 was pretty darn good! I haven't seen that Porno Babies story since Xtra Spicy Tails #4. (Yes, it was a good idea to change the name to Pleasure Boosters. I liked the old name, and I know they aren't children, but it really gave the wrong idea.) I'd like to see a sequel to "the Monster"; it was a nice, and kind of romantic story. "Teeka" was great fun, and your art was looking very Ernie Colon-ish there. (Which is huge praise, from me!) I only had problems with "Play nice with Barbie" in the last panel when we saw how small (and assume how young) that little filly is, compared to her mom. Then talking about a little sister? That just hit my gag reflex. (I'm not asking you to change, I'm just telling you my reaction. It made me say "Yuck" at the end.)
Issue #7 just came out and is wonderful! (Yes, writing this letter has taken that long.) The Dragon's Bride was fun, and the "screw the critics" sequence was a nice change-up for an ending. Almost as if you assumed that the rest of the story was so predictable as to be ignorable. Perhaps that's true, but I still wanted to see Mery double-penetrated by draconian fenceposts. (I'm a perv, but you should guess that.) Cap'n Breezy was very funny and well written. The art was all right, passible but not my favorite style. Dog Bone was a fun way of playing with anthropomorphism. Hey, where's the fun in funny animals if they're just humans with animal heads? The two "At what point..." pages were interesting, but would have been more so if we knew who were making the comments at the bottom. I think I recognized a couple of names, and I do wonder what the heck Trump wrote. And Big Game Hunters was nice, if familiar. Wasn't that space ship from Star Spooge in Savage Funnies Special No. 1? Is the bug back to his wench-napping ways? Will he get his little buggy butt kicked as usual? I sure hope so! Is it just my imagination, or are the shrinking pages done at a different time than the rest of the comic? No matter, it's a good story.
Well, that's all for now. Thanks for all the fun, and I'll see you next issue.

Richard Karandosh.

To escape the civil war, Kyla and Dis will do absolutely anything to get a berth on the last starship out. One guess what Harmon and Fosby have them do....

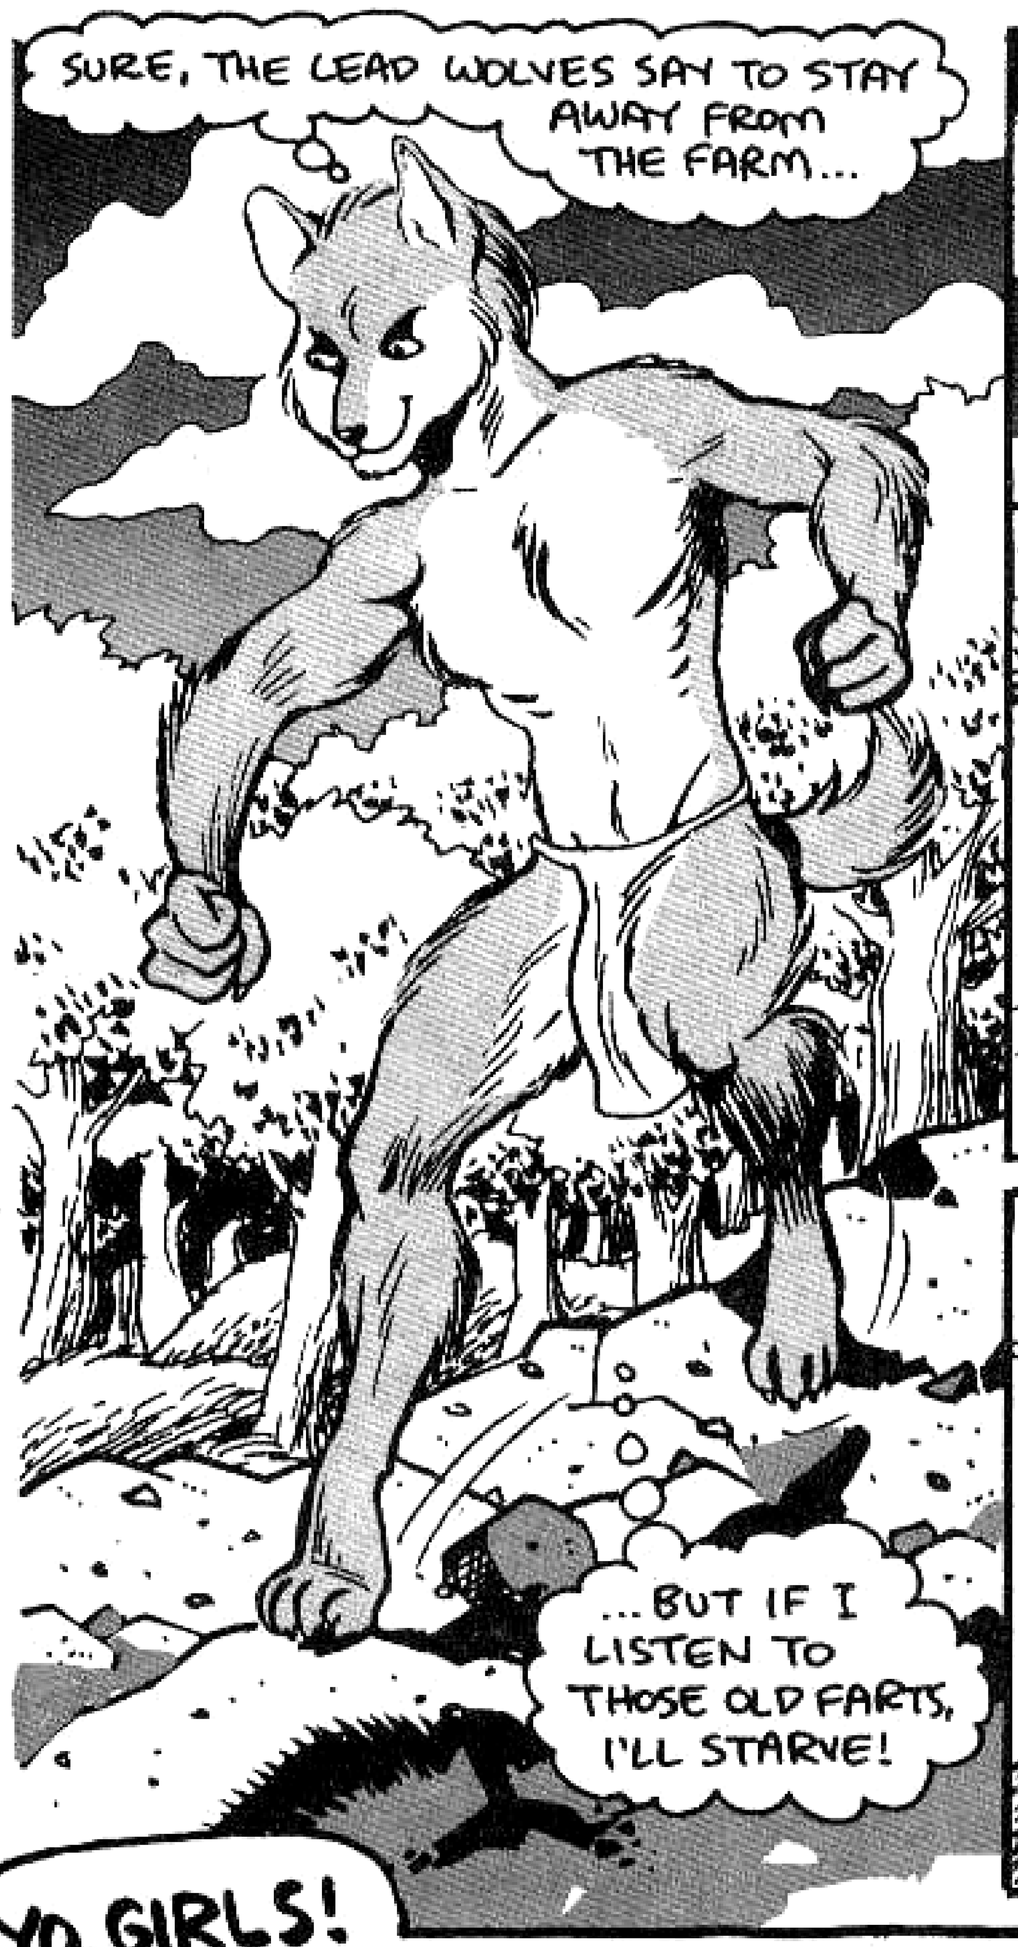

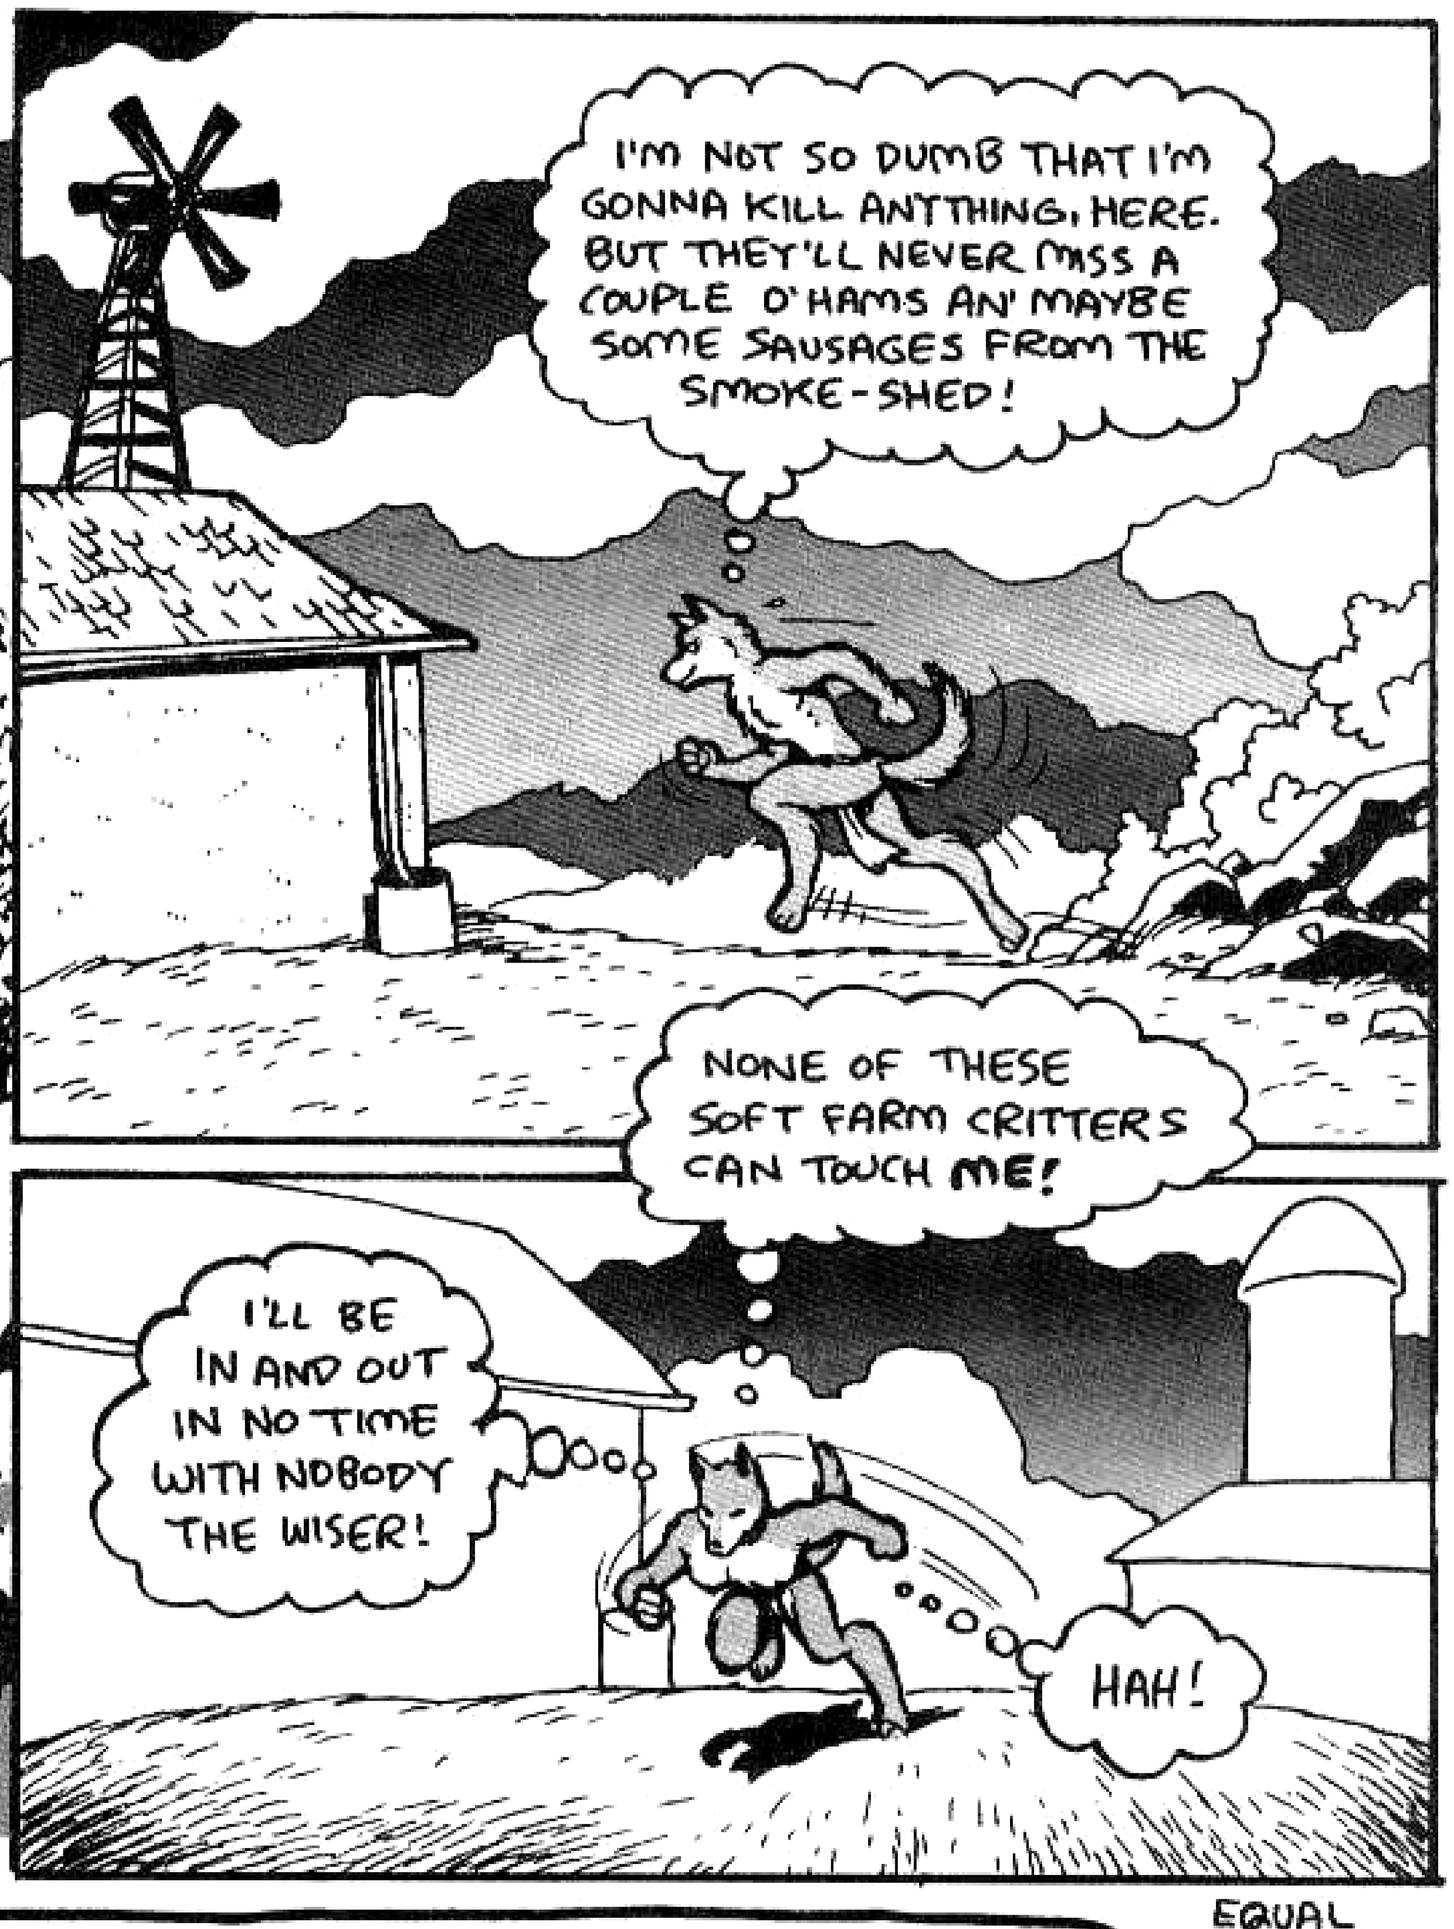

Heh... no. Not all spacefarers have exotic alien pets, like in the holos. Fosby's an Iceban, just like me. Many years ago, before I made Major, my squad was sent to "clean out" the laboratory of a geneticist who'd been working for military research.

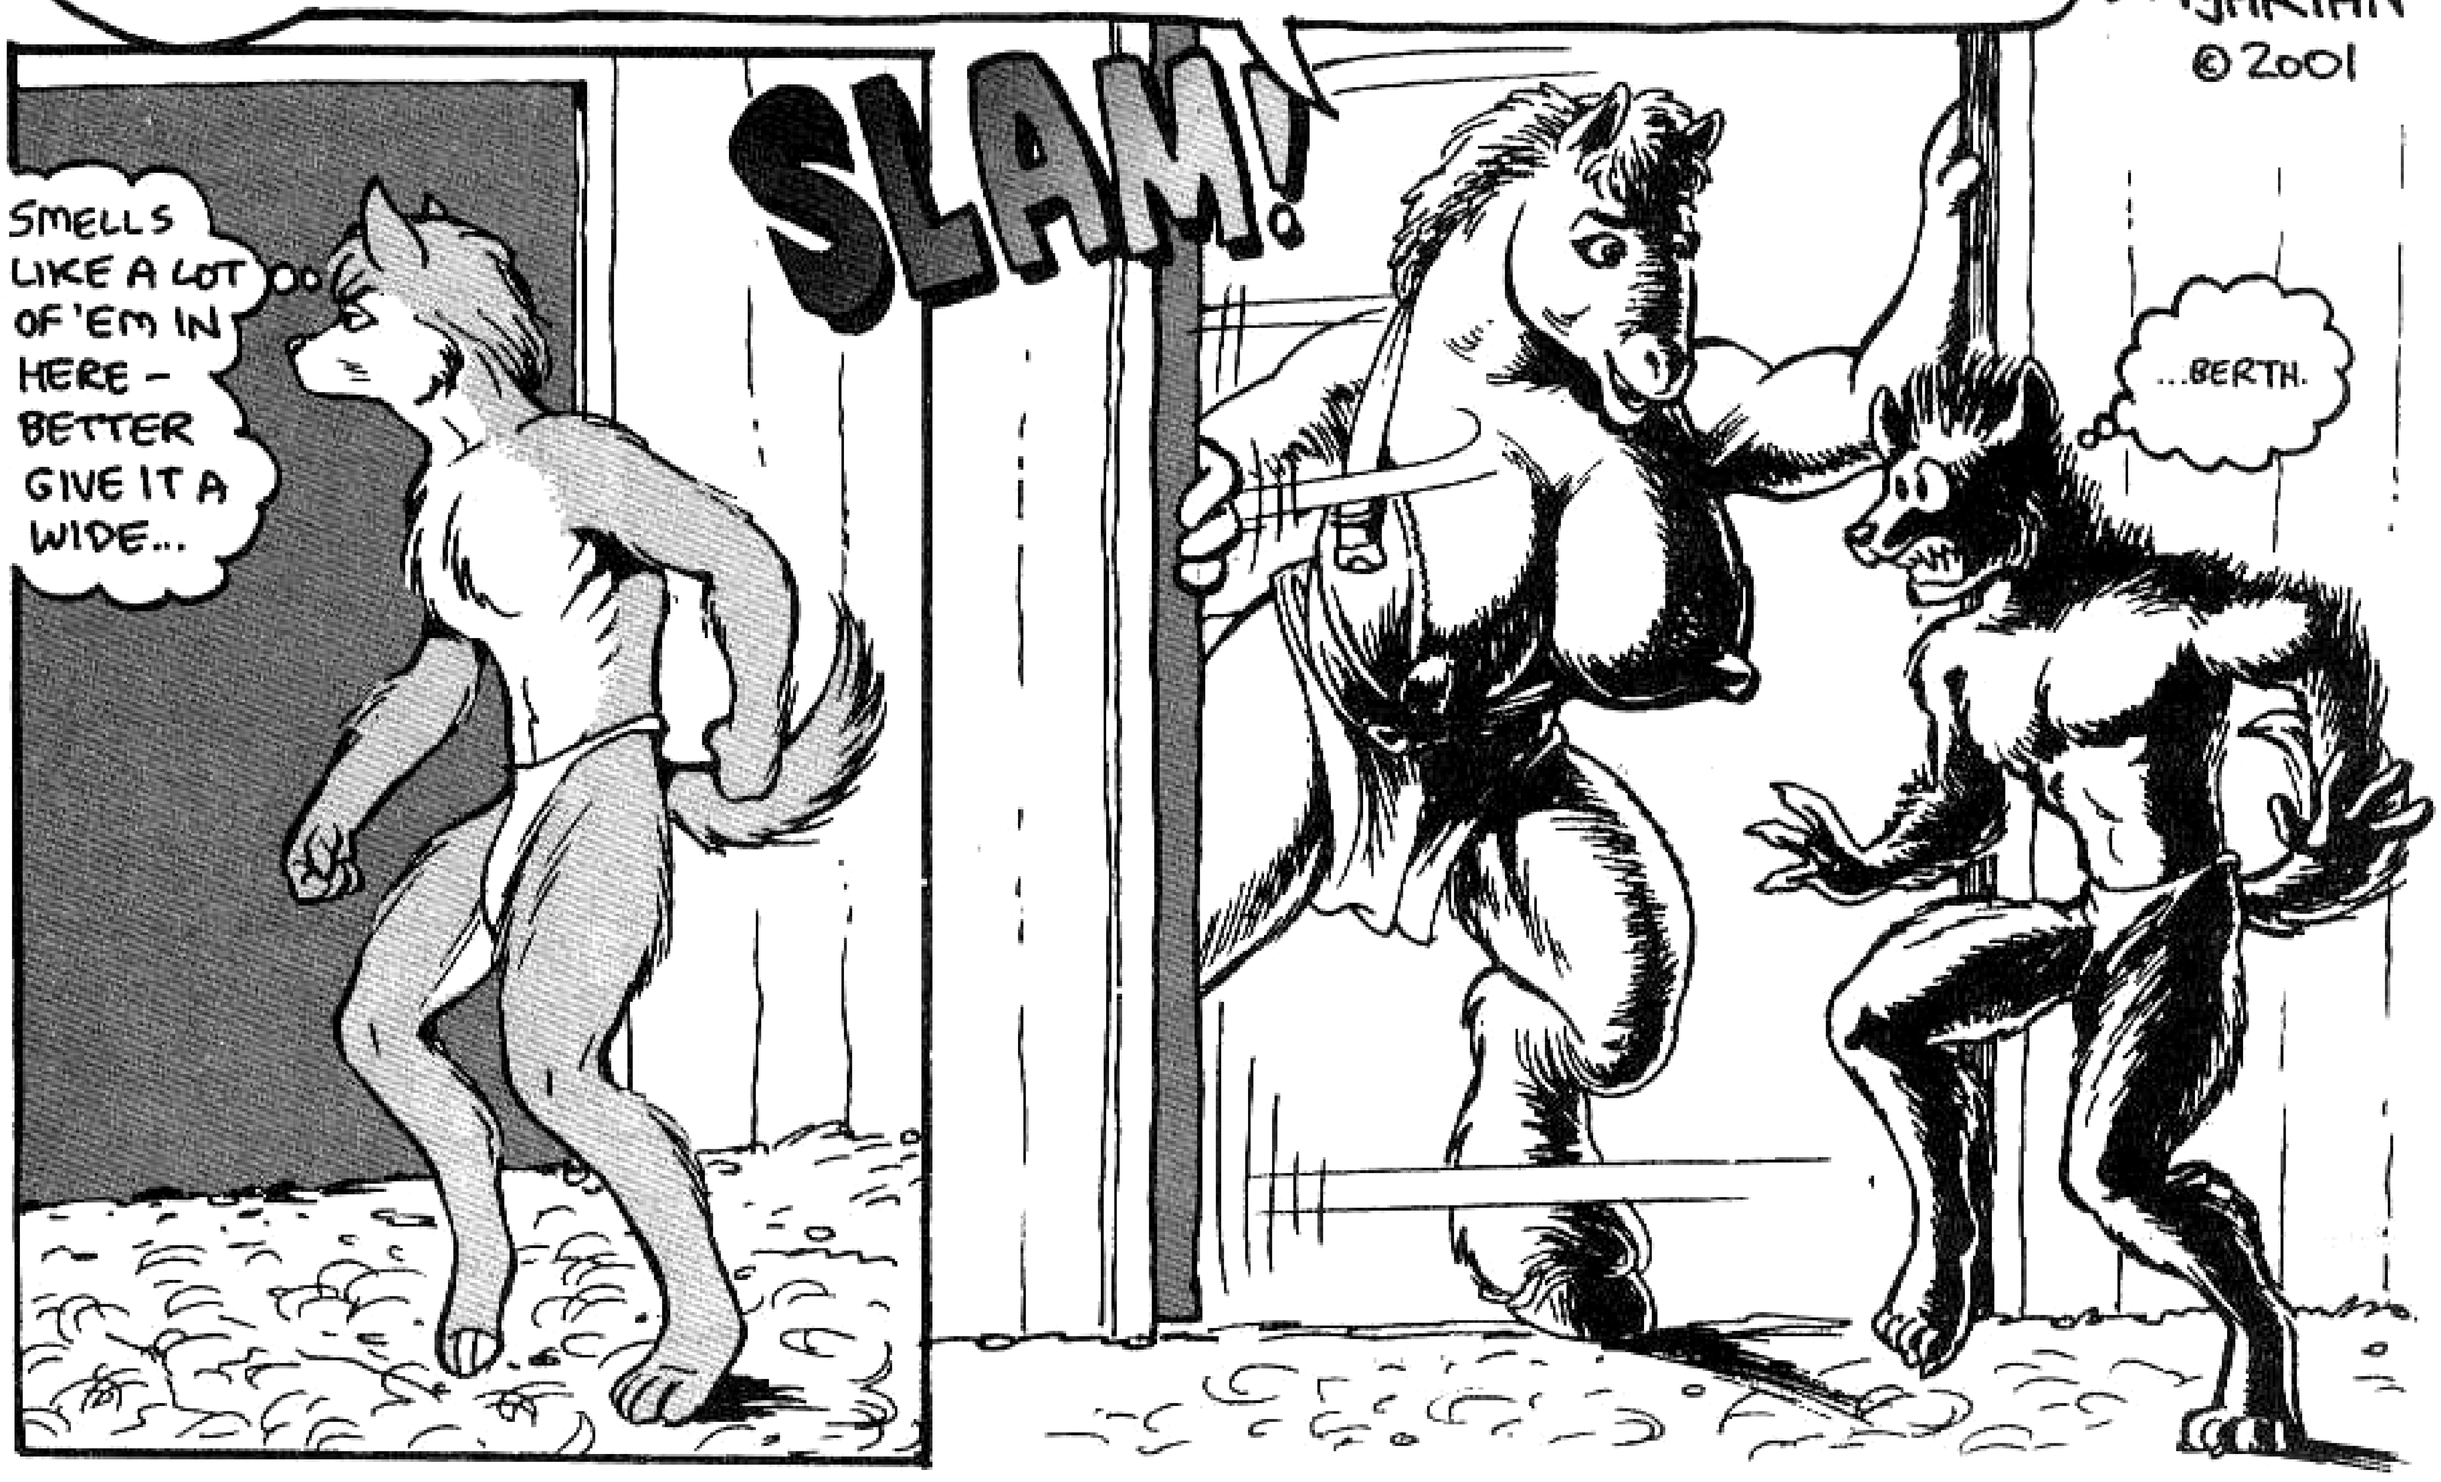

In the first story of the trilogy, Selma yanks Harri into the barn, where she and her pals gangbang him all night. Some guys have all the luck.

YO, GIRLS! THERE'S A WOLF AT THE DOOR!

In the second story, Harri and HIS pals cover Selma with cum from head to hoof.
She has the time of her life, but doesn't let on, for fear that they'll stop.

In the third story, Harri and his crew prostitute themselves for food. But a great time is had by all, so who's complaining? Food and sex are the staff of life.

BIG GAME HUNTERS:

CHAPTER TWO.

When Megan fell into one of the soft worlds, she thought she had found Paradise. She had everything she'd ever wished for: She was a Queen. All her stuffed animal friends were real in the soft world, and happy to be her subjects. She had long shiny hair. She had big, heavy tits.

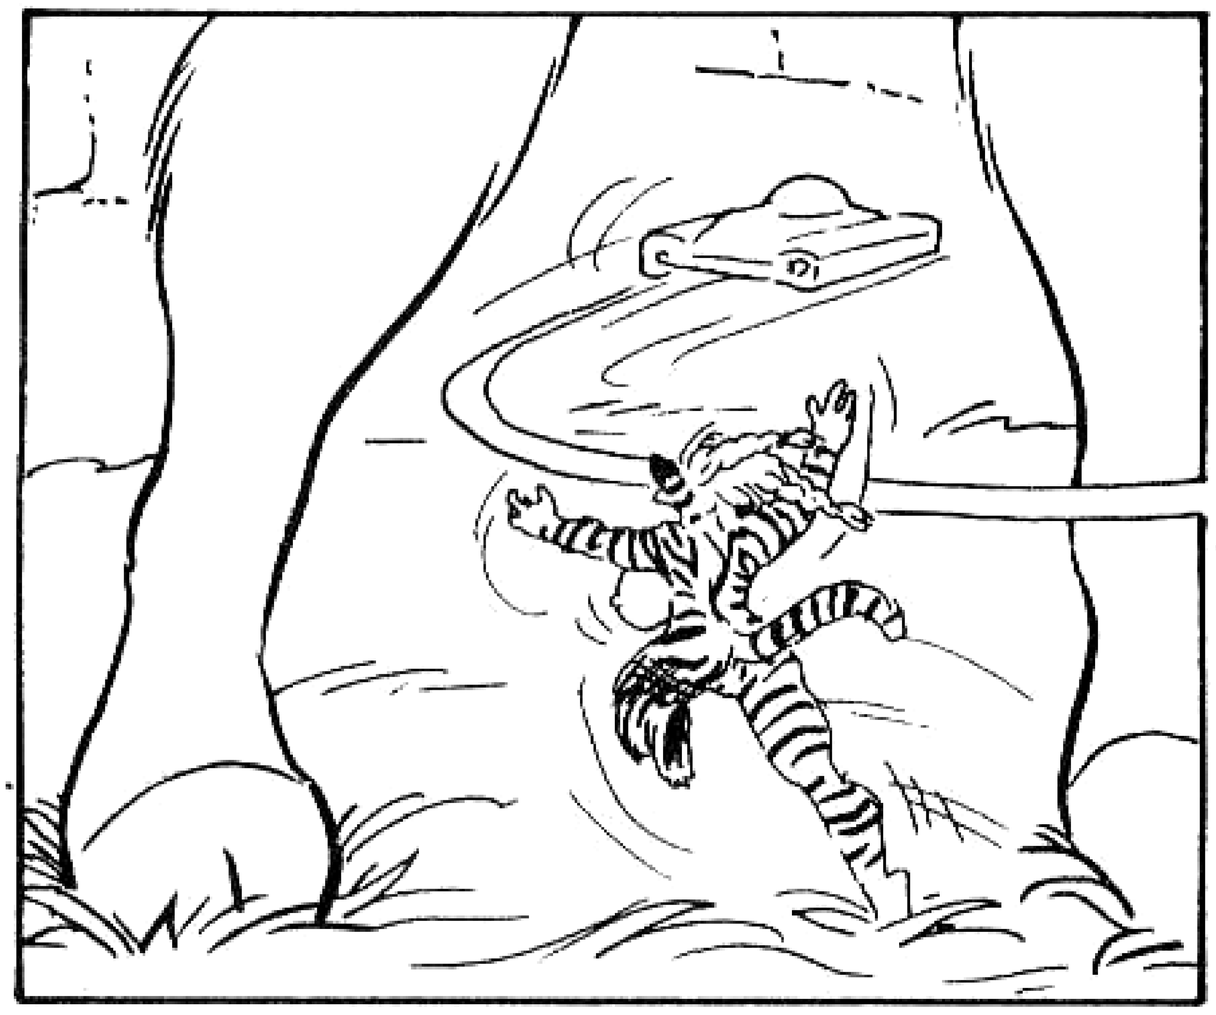

Everything was perfect. Until her subjects started disappearing one by one, leaving their clothes and weapons behind in heaps.

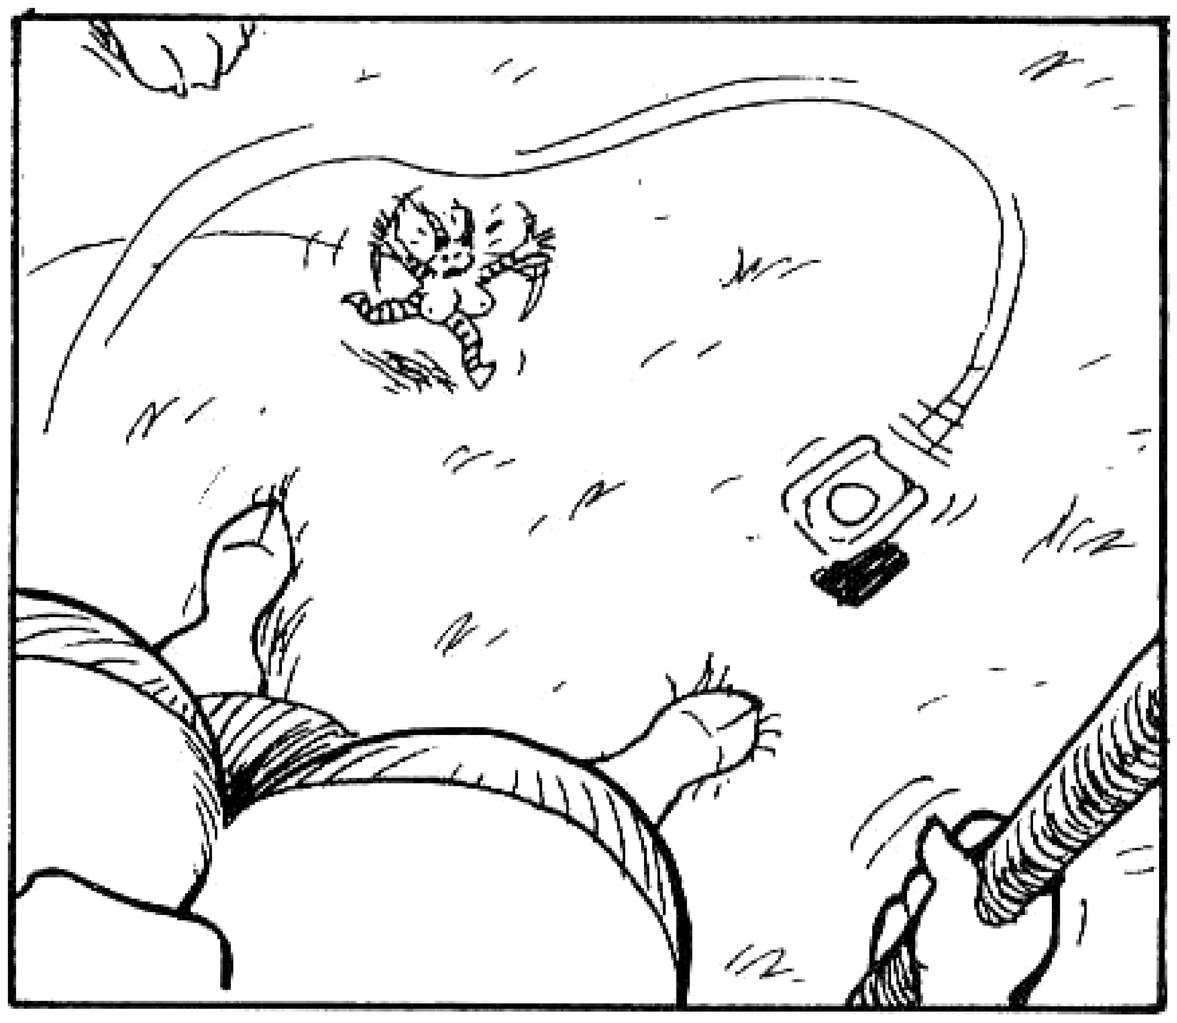

Naturally, patrols were sent out to discover what was happening.

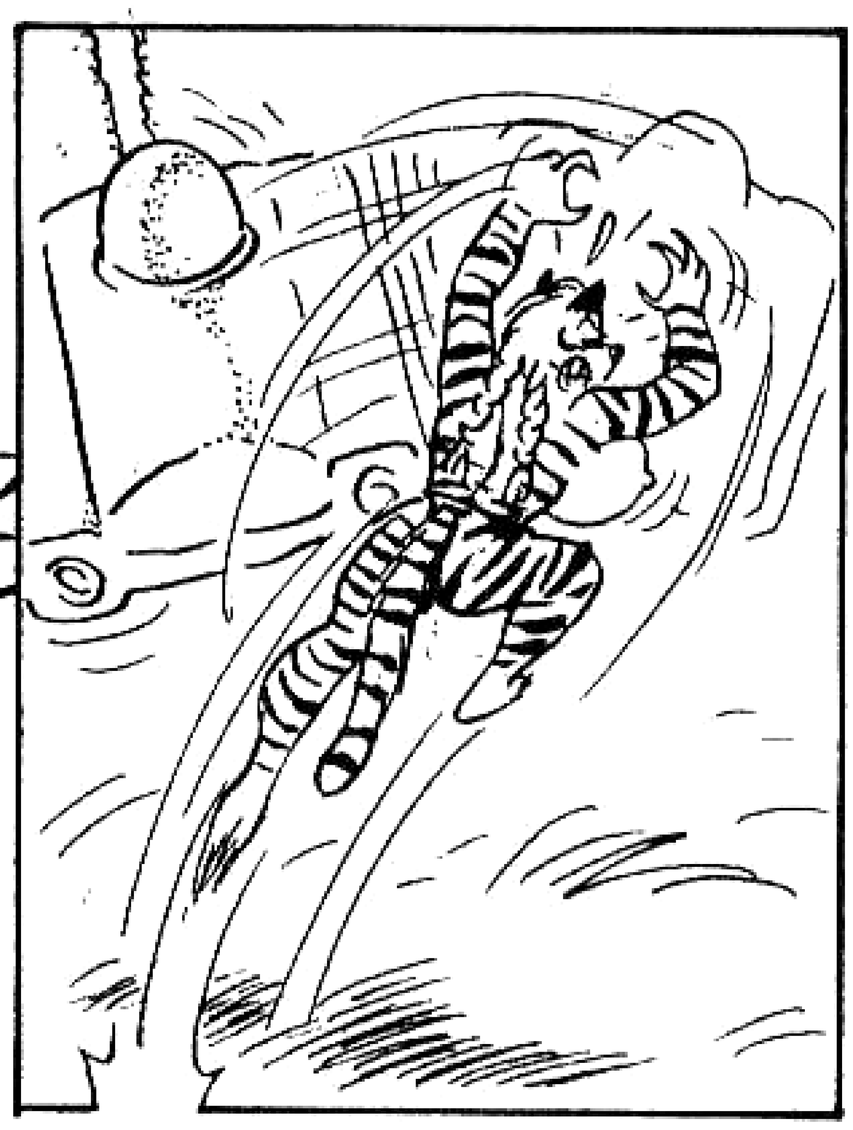

Dog and Tigress came across the culprit: A tiny flying gadget that fired a shrinking beam. Too fast to be speared, the gadget has shrunk tigress down to doll size-

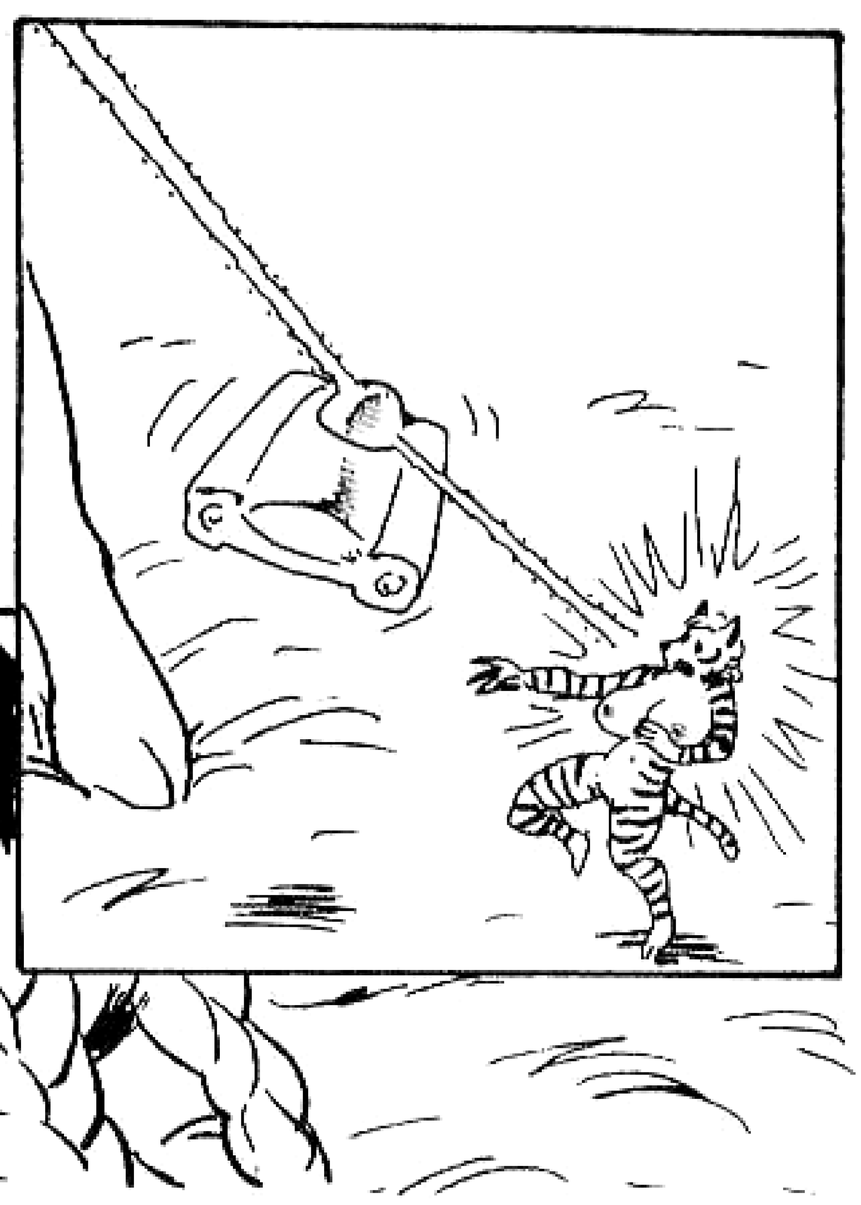

That's how the Soft Worlds got their name: The barriers between them and the other worlds are soft. One never knows what may slip through....
